

Sideline Cancer

Driving Hope. Supporting Patients. Making a Difference.

During the 2020–21 COVID-19 pandemic, Sideline Cancer made a pivotal shift—focusing on Pancreatic Cancer Awareness and direct Patient Assistance. That decision built a mission rooted in community, compassion, and real impact. Today, Sideline Cancer events and partnerships play a vital role in supporting cancer patients and their families.

Every sponsor, donor, and community partner helps provide direct financial assistance to patients battling cancer. Through Sideline Cancer merchandise sales, \$5 from every item sold—including \$1 from every bracelet—is directly allocated to patient assistance. In addition, 100% of all donations go directly to the patients we serve. Sideline Cancer operates with extremely low operational costs, allowing us to keep expenses minimal and donate as much as possible to those in need.

Since January 2022, Sideline Cancer has raised over \$300,000, supporting more than 70 patients across Central Pennsylvania and beyond. Our reach continues to grow, with events now hosted at over 25 schools and universities across three states, bringing communities together through sports and shared purpose.

Whether you are sponsoring an event, partnering as a business, or supporting a community fundraiser, your involvement with Sideline Cancer truly makes a difference—one donation, one event, and one patient at a time.

To learn more about sponsorship opportunities or how your organization can get involved, please contact Jordan Griffith at jordan@sidelinecancer.com

Sideline Cancer is a registered nonprofit organization.
EIN #45-2815505

Thank you for standing with us in the fight against cancer.
